### **QUOTE OF THE DAY**

“Of what use were the arts if they were only the reproduction and the imitation of life?” – Alfred de Vigny

“I think everything in life is art. What you do. How you dress. The way you love someone, and how you talk. Your smile and your personality. What you believe in, and all your dreams. The way you drink your tea. How you decorate your home. Or party. Your grocery list. The food you make. How your writing looks. And the way you feel. Life is art.” – Helena Bonham Carter

“It always amazes me to think that every house on every street is full of so many stories; so many triumphs and tragedies, and all we see are yards and driveways.” – Glenn Close

“The universe is full of magical things, patiently waiting for our wits to grow sharper.” – Eden Phillpotts

“Nothing in the world is permanent, and we're foolish when we ask anything to last, but surely we're still more foolish not to take delight in it while we have it. If change is of the essence of existence one would have thought it only sensible to make it the premise of our philosophy.” – W. Somerset Maugham

“A man's mind, stretched by new ideas, may never return to its original dimensions.” – Oliver Wendell Holmes Jr.

“If confusion is the first step to knowledge, I must be a genius.” – Larry Leissner
